25X1A9a MEMORANDUM FOR: [REDACTED]

Acting Chief, Resources Div./ORR

SUBJECT : Assistance in the China Familiarization Course

25X1A9a I wish to record the thanks and appreciation of OTR for the excellent presentation [REDACTED] made 8 October, on the economic resources of PRC for a special offering of OTR's China Familiarization Course. [REDACTED] has been most helpful in past offerings of the regular course, and we are as appreciative of that help as we are of his discussion and lecture on 8 October. His interest in, and his pleasure in discussing his subject, helped to make his presentation of the factual material and evaluated conclusions most helpful to the students, and I speak for them also when I register our appreciation.
